This Supplement (the **Supplement**) to the Information Memorandum dated 20 June 2011, as supplemented on 20 July 2011 and 8 November 2011, in relation to the Global Programme for the Continuous Issuance of Medium Term Notes, Capital Contribution Securities and Covered Bonds (the **Information Memorandum**), which comprises a Base Prospectus, constitutes a supplementary prospectus for the purposes of Section 87G of the Financial Services and Markets Act 2000 (the **FSMA**) and is prepared in connection with the Global Programme for the Continuous Issuance of Medium Term Notes, Capital Contribution Securities and Covered Bonds (the **Programme**) which was established by Skandinaviska Enskilda Banken AB (publ) (**SEB**). Investors should be aware of their rights under Section 87Q(4) of the FSMA.

Terms defined in the Information Memorandum have the same meaning when used in this Supplement. This Supplement is supplemental to, and should be read in conjunction with, the Information Memorandum and any other supplements to the Information Memorandum issued by SEB.

SEB accepts responsibility for the information contained in this Supplement. To the best of the knowledge of SEB (which has taken all reasonable care to ensure that such is the case) the information contained in this Supplement is in accordance with the facts and does not omit anything likely to affect the import of such information.

On 7 February 2012, SEB published its interim report entitled "Annual Accounts 2011" (the **Interim Report**) containing its unaudited consolidated interim financial statements in respect of the twelve month period ended 31 December 2011 (the **2011 Financial Statements**), together with the publication entitled "Fact Book Annual Accounts 2011" relating thereto (the **2011 Fact Book**). Copies of the Interim Report and the 2011 Fact Book have been filed with the Financial Services Authority.

Accordingly, the purpose of this Supplement is to (i) incorporate by reference certain sections of the Interim Report and the 2011 Fact Book as specified below; (ii) confirm that there has been no significant change in the financial or trading position or material adverse change in the prospects of SEB or the SEB Group since 31st December, 2011; and (iii) update the Summary of the Programme contained in the Information Memorandum to include a summary of the 2011 Financial Statements.

By virtue of this Supplement, the following documents shall be deemed to be incorporated in, and to form part of, the Information Memorandum:

1. the 2011 Financial Statements set out on pages 8-30 (inclusive) of the Interim Report; and
2. the section entitled "Market Risk" set out on page 43 of the 2011 Fact Book.

Since 31st December, 2011, the last day of the financial period in respect of which the most recent unaudited interim financial statements of the Bank have been published, there has been no significant change in the

financial or trading position of the Bank or the SEB Group, nor, since 31st December, 2010, has there been any material adverse change in the prospects of the Bank or the SEB Group.

If documents which are incorporated by reference themselves incorporate any information or other documents therein, either expressly or implicitly, such information or other documents will not form part of this Supplement for the purposes of the Prospectus Directive (Directive 2003/71/EC) except where such information or other documents are specifically incorporated by reference.

The non-incorporated parts of the Interim Report and the 2011 Fact Book are either not relevant for the investor or covered elsewhere in the Information Memorandum.
